Local Business and Activities

We enjoy a Wingello where the locals can live, explore and work locally

Life is pretty good in Wingello

We have had some great rain, Autumn is fighting between Summer and Winter, with our recent cold snap reminding us of a fine crisp Winter to come. Nothing controversial is happening at the moment and the village is enjoying the right type of good living. Many members of the community are stepping up and providing lots of opportunities to meet others and try new activities all only a short walk away.

Blossom Rock Massage and Wellbeing

Jenny has a lovely setup in the shed next to Wingello Village Store, offering Massages and a range of Organic teas and natural products.

They had a very successful opening last weekend. For any further information, contact Jenny on 0431 196 197.

Wingello Community Bike Ride

Interested in joining other locals for a community ride?

We're meeting at the shop at 8:30am for a 9:00am start riding from the store on various routes ending back to the shop by about 10:00am. As this will be for all those willing, young, old, fit and beginners we will have riders at the front and rear to make sure we don't lose anyone and have a stop or two so everyone can catch up.

It's an enjoyable way to see a bit of Wingello and the Forest, meet other locals, and maybe improve fitness too. No cost, no membership, just turn up at 8:30 or so so we can leave at 9:00am.

Cafe Cards continues on Tuesday 9 April.

Linny George runs successful craft classes in making a wide variety of amazing cards. Interested in making cool cards?

Join Linny at the Wingello Village Store on the 2nd Tuesday of every month starting this month.

For more information call Linny George 0438 360 907

Southern Villages Men@Shop

Any men wanting to gather and enjoy each other's company? The Men@Shop group in Bundanoon is so successful they have started the Southern Villages Men@Shop.

They meet on the 1st, 2nd, 4th and 5th Wednesdays at 10:30am at Wingello Village Store and the 3rd Wednesday at 10:30am at Tallong Store & Cafe.

So this month April 3, 10, 24 at Wingello and the 17th at Tallong.

Interested? Then pop along and find out more. Membership is mainly for residents of the villages.

Wingello School News

It certainly has been a busy month for Wingello Public School. Our new sand pit has been installed and has seen all sorts of adventure play since.

Special thanks to Penrose Pine, Goulburn Sand & Soil and Traditional

Timber Framing for all their input in making this happen.

The P&C hosted a very successful sausage sizzle and cake stall on election day. A fantastic amount of money was raised on the day, which will be put straight back into the school for the children to benefit from. Sincere thanks to all that supported the school on the day.

On Friday, our school organised and managed the small schools cross country annual event in the grounds of Hamden park in Robertson. The P&C were back in the canteen and on BBQ duties once again. A thoroughly enjoyable day was had by all.

Success for our runners also, 1st place for Hugh in the boys 5/6 yrs, 1st place to Ruby in the girls 8/9 yrs, 2nd place for Millie in girls 10/11 yrs and 3rd place for Kristen in the senior girls race. Well done to all who took part and represented our school with pride.

We are excited to partner up with the Wingello Village Association to bring back the **Wingello Spring Fling**. An exciting community and family centred event is planned so stay tuned for more details.

Wingello Fire Brigade News

This month has been quiet but steady with storms causing news fires to ignite from lightning. The brigade has utilised spare time and the rain to undertake navigational training and local area familiarisation.

Coming into winter and hopefully a lot more rain, just a reminder not to drive in the wet with your cruise control on as this can cause your car to lose traction.

Currently the Bush Fire Danger Season is scheduled to conclude on the 1st of April. With this being said it is a timely reminder for all residents to familiarise themselves with council regulations regarding pile burns.

The end of the bushfire danger period is also a timely reminder to clean your chimneys. If the unfortunate situation arises, we are always happy to help; but please do your best to avoid these situations.

Have you ever thought about volunteering?

If so, now is the time! Coming into the winter months is the perfect time to come down, say hello and be trained up for fire season!

We meet every Wednesday from 7.30pm. If you have any questions, please come down and have a chat with one of our senior officers.
