

Why be  
anywhere  
else?

## The question we are asking ...

*Will the Hall construction work really be finished on time?*

The due date for construction of the disabled ramp and toilet facilities at the Wingello Mechanics Institute Memorial Hall is the end of July.

With less than 4 weeks remaining it should be a very busy next few weeks as the ramp gets built.

Presumably the workers have been busy installing and upgrading the disabled toilets in the hall.

We are very fortunate that the various Wingello groups can co-operate so well so that we have events in the school library or in the shop rather than being cancelled.

### Do you want mail 24/7?

Then it is as easy as opening a Post Office box at Wingello. As everyone here is entitled to a reduced rate box, the cost is only \$20 establishment fee (To cover the 2 keys) and \$40 per year. For that you can get your mail any time day or night. And as we are open from 7:30am to 6:00pm weekdays and 8:00am to 3:00pm on weekends, you should have plenty of opportunity to pick up your parcels too.

### Photo Quiz

What is this?

A lovely early morning frost has covered this thing in Wingello. What is it?

### Bin Collection Mondays

July

- 1 ● Green
- 8 ● Yellow
- 15 ● Green

Weekends:	8:00am - 3:00pm
Public holidays:	8:00am - 10:30am

We are open **Every Day** except Good Friday, Easter Sunday, Christmas & Boxing Day.

## Wingello School News

Just like that we have reached the last week of term three.

This month our year 5 and 6 classes attended the ever interactive Science and Engineering discovery day at Mittagong RSL.

We had great success at the the Bong Bong athletics carnival with a total of 12 ribbons returning to Wingello. An outstanding result for our our small school and we wish those advancing to district in term 4 all the very best.

We have had the pleasure of welcoming Miss Emily Morrow from Lindfield Public School as relieving principal whilst Ms Irvine has been on long service leave.

We hope that Miss Morrow has enjoyed her visit to the Southern Highlands and to our school.

**Wingello Spring Fling** fever is hotting up ladies and gentlemen. Plans for the day are coming along beautifully. Be sure to stay tuned to our official facebook page for all details of the day coming soon.

*Information provided by Wingello School Parents*

## Wingello Village Association

The Annual Craft Afternoon Knit In was very successful with many local crafty people showing off their great work.

It was great being able to use the school for events while the Hall is closed for the construction work.

## Wingello Fire Brigade News

Another month done! This month has been slow and steady for the brigade, with our new executive members settling into their roles and everyone training hard.

Two of our deputies have undertaken the Remote Area Firefighting course. Carlyle, our Senior Deputy Captain, is already a qualified Remote Area Firefighter, so it's very exciting to have another two of our own join the ranks. Well done to Anthony and Lucy.

It is very important to familiarise yourself with the **Winter Fire Safety Message**. More information can be found on [www.fire.nsw.gov.au](http://www.fire.nsw.gov.au), see the side box for a quick summary.

As always, we're here to help! If you have any questions please do not hesitate to ask one of our members.

Have a great month!

### Winter Fire Safety Message

- Always have a working smoke alarm
- Prevent fires from heaters and open fires
- Carbon Monoxide Poisoning: Avoid the use of external heating equipment inside the home
- Prevent electrical fires
- Prevent clothe dryer fires
- Be prepared with a plan of escape
