How The Shop Has a Small Footprint

Reduce, Re-use, Recycle taken to heart

As a shop we have lots of inputs and outputs. Being a locally owned and run business, we want to minimise our impact on the local environment. After all, we live here too!

It makes sense to support local in multiple ways, including keeping your home village the best it can be.

- We have a large cardboard recycling bin into which all our newspapers, cardboard and papers go. If you need papers for lighting your fires, lining garden beds, packing for moving, we have even helped a customer use it for puppy training.
- All of our recycling is placed in our two yellow bins.
- Food scraps go to a local to feed his ducks.
- Used oil is placed in a large drum which is collected regularly to be recycled.
- Solar Panels provide a large portion of our day time power usage.
- We even recycle old jokes on the chalk board above the kitchen door.
- We can't provide plastic bags any more, so happily re-use supermarket paper bags. Rather than throw them out, drop them in at the store!

Don't throw out your paper shopping bags.

Why are our chips so yummy?

The Wingello Village Store is famous for our chips. This is for a number of reasons.

1. We ensure the best quality chips
2. The oil used is the right type of oil
3. The temperature is the best for cooking the chips so they are crunchy on the outside and soft in the middle.
4. We filter the oils each night. The device we use is inserted in the oil at the end of the day and clears out all the breadcrumbs and bits and pieces. This makes the oil last longer and ensures that you get the freshest chips.
5. The oil is safe. We have a special tester which checks the TPM (*Total Polar Matter*) in the oil. When it gets to the unsafe level, we change the oil.

All this investment in equipment and procedures makes our chips irresistible.

Lots of Wingello Events

The Men's Breakfast continues being a great time to gather and chat with no particular agenda. First Saturday of every month at the Wingello Village Store is when we meet to have a general chat and solve the problems of the world - then do it all again next month. *(Next: 3 May, 7 June, 5 July)*

Craft Afternoon

The Wingello Village Association sponsored informal craft afternoons and catch ups continue. Held on the first Saturday of the month in the meeting room of Wingello Hall 1 pm to 4 pm. Bring along whatever craft you are working on and enjoy the company of other crafters or just come for the catch up.

Cost is \$5 to help with cost of hiring the hall and afternoon tea. Book the date.

Trivia Night

Saturday 17th May 7:00pm

The Wingello Village Association will be hosting a fun Trivia Night at the Wingello Mechanics Institute Hall.

\$10 per person *(Children under 12 free)*

Get together a table of eight or link up with others on the night.

Good Friday Re-enactment

We are sure everyone enjoyed the marvellous weather during the Easter break.

We had a very busy time on Good Friday taking part in the Re-enactment where we all had important roles. Thank you to everyone for your support!

Annual General Meeting

The Annual General Meeting of the Wingello Rural Fire Brigade will be held in the Wingello Rural Fire Brigade Shed on

Wednesday 14th May 2025 at 7:30pm.

All members and the general public are warmly welcome. Refreshments will follow after the meetings conclusion.

Nominations to be submitted to secretary@wingellorfb.org.au no later than May 7th

Wingello Fire Brigade News

April has been a quiet month for call-outs for Wingello brigade...and as someone pointed out, this is a situation where no news is good news. While the number of incidents has been small the brigade has kept busy with community events.

The month started with our yearly assistance at Brigadoon where we assisted with Traffic control, the caber toss and the ever popular Balloon toss (which is always busy in such beautiful weather). Then, at the invitation of the Bundanoon RSL Sub-branch, we were honoured to take part in the ANZAC day march and ceremony in Bundanoon. Life in the RFS

is not always about emergencies, it is often just being present in the communities we serve.

May is AGM Month at Wingello Rural Fire Brigade, with ours taking place on May 14th at 7:30pm at the station. We warmly invite and welcome all members of the community to attend.

Online Fire permit

If you intend to do any pile burns you need to obtain a permit. Here is the QR code leading to the online fire permit form.
